## SHIPS BUILT FOR AWE

### Set Sail With 20% Savings on Select 2025 Voyages

National Geographic-Lindblad Expeditions sails 21 small ships that are as diverse as the places they explore, with each designed to reflect the uniqueness of your journey. From polar ships that deftly navigate icy seas to elegant windjammers that glide into secluded European harbors, these vessels were built for awe—to take you deeper into your destination. Each vessel features well-appointed cabins, thoughtful amenities and lively social spaces, and each is equipped with carefully selected exploration tools—from snowshoes to snorkels—so you can discover your surroundings from a new perspective.

This year, sail aboard the fleet that’s redefining expedition travel—because how you see it matters.
